

## FOR IMMEDIATE RELEASE

July 17, 2009

### **Elmira district students can receive information about physicals**

The Elmira City School District has a school nurse available this summer to check on information about physical exams for students seeking work permits.

Until Aug. 21, Kim Greeno, the summer school nurse, will review school records to see if a current physical examination is on file. She will be available from 8 .a.m. to 11:30 a.m. Monday through Thursday by appointment. Call her at 426-2864.

A certificate of physical fitness is required in order for a student to obtain a work permit. Although students may have the required physical exam done at school during the school year, this is not possible during the summer. Private health care providers can give exams at the family's expense.
