Elmira, NY, January 7, 2019 – The Elmira City School District is pleased to present a free “Cyber Safety Tips for All Parents” scheduled for Thursday January 17, 2019 from 5:30 – 7:00 p.m. This event was previously scheduled for November 15th but was rescheduled due to winter weather closings.

Are you a Cyber Safe parent? The program will include online safety tips in many different online environments including internet, social media and gaming. Law enforcement partners will also participate in the event and will offer insight into the legal ramifications of online behaviors. Select students will also weigh-in on the many online platforms, challenges and games they see their peers spending time.

As parents, we are navigating uncharted territory when it comes to raising children in the digital age. From cyberbullying to gaming with global competitors, it is critical that we not only supervise where our children are spending time online but also protect them when online. But where do you even begin? Join the Elmira City School District teachers, students, gaming experts and law enforcement for this free event to learn more about online safety tips.
