February 2020

The Elmira City School District is a dynamic and innovative learning organization dedicated to developing learners of character who value their educational experience and can compete globally and contribute locally by collaborating with students, families, and community partners to provide meaningful opportunities in a safe and engaging environment for all.

Under the *Every Student Succeeds Act* (ESSA) the Elmira City School District has been designated a Target District. Elmira High School, Parley Coburn Elementary, Diven Elementary and Fassett Elementary have been designated Targeted Support and Improvement Schools (TSI) for the 2019 – 2020 school year. Broadway Academy and Beecher Elementary have been designated Comprehensive Support and Improvement Schools (CSI). These designations are based on graduation rates, student performance on Regents examinations, student performance on grades 3 – 8 State Assessments in ELA and Math, Student Chronic Absenteeism and Civic College and Career Readiness.

We are confident the goals, activities, strategies and programs outlined in the Schools' Comprehensive Education Plans (SCEP) and the District Comprehensive Improvement plan (DCIP) will result in successful experiences for our students and increase student performance on all assessments. Parents, families and our Community partners are an integral part of student success and we will continue to build partnerships with all stakeholders to better meet the needs of our diverse learners.
